Could you be an enthusiastic and committed SEND Teaching Assistant and are you looking for a new challenge?

We are seeking enthusiastic, highly motivated and caring Special Educational Needs Teaching Assistants to join us at our school. We have various 1:1 Teaching Assistant roles working with children in EYFS/KS1 with a range of SEND needs.

The ability to provide care and encouragement, supporting them to participate in planned learning activities and to support their physical, intellectual, emotional and social development is desirable but we have lots of experience supporting TAs to do well from all sorts of backgrounds.

Knowledge of Autism is preferable, but most importantly we are looking for the right person who can demonstrate respect and ambition for our pupils– we look forward to hearing from you! All members of our Church School family strive to 'Be the Best that they can Be'.

St. Michael's is at the heart of a growing community on the Cardea housing development in South Stanground. We opened in September 2012 with 14 children and are now a two form entry Primary School with 420 children from Reception to Year 6, who make us smile every day.

There are approximately 80 members of staff so we are a large community and this is reflected in the vibrancy of the school – there is always something exciting happening!

We can offer you:

- An attractive, inspiring working environment with excellent resources
- The opportunity to shape and grow our inclusive church school
- The scope to be enterprising, creative and innovative
- Professional support and development
- The opportunity to be part of an amazing, caring, hardworking team.

To apply please download an application form from the school website,

<http://www.stmichaelschurchool.co.uk/>

Please return your application with a supporting letter detailing why you believe you would be suitable for this position.

We would positively encourage prospective candidates to visit the school. To make an appointment to visit or to ask any further questions please contact:
