Dear Parents and Carers,

Thank you to all those parents that responded to the critical worker survey. We have had an overwhelming response and are awaiting further guidance from the DfE as to how many children we can have in school and how we will prioritise those that have requested a place.

The new lockdown has been announced to prevent people leaving their homes and minimise contact with others. We kindly request that you consider your position and whether it is vital for you to have a critical worker space.

We will be in touch later today once we have received the DfE guidance.

Kind Regards

Becky Smith
