

Family Prayers

This is a family based prayer.

As you can see each section has 5 glass pebbles but they can be anything beads, stones, shells, small wooden bricks, as many as you need for your family.

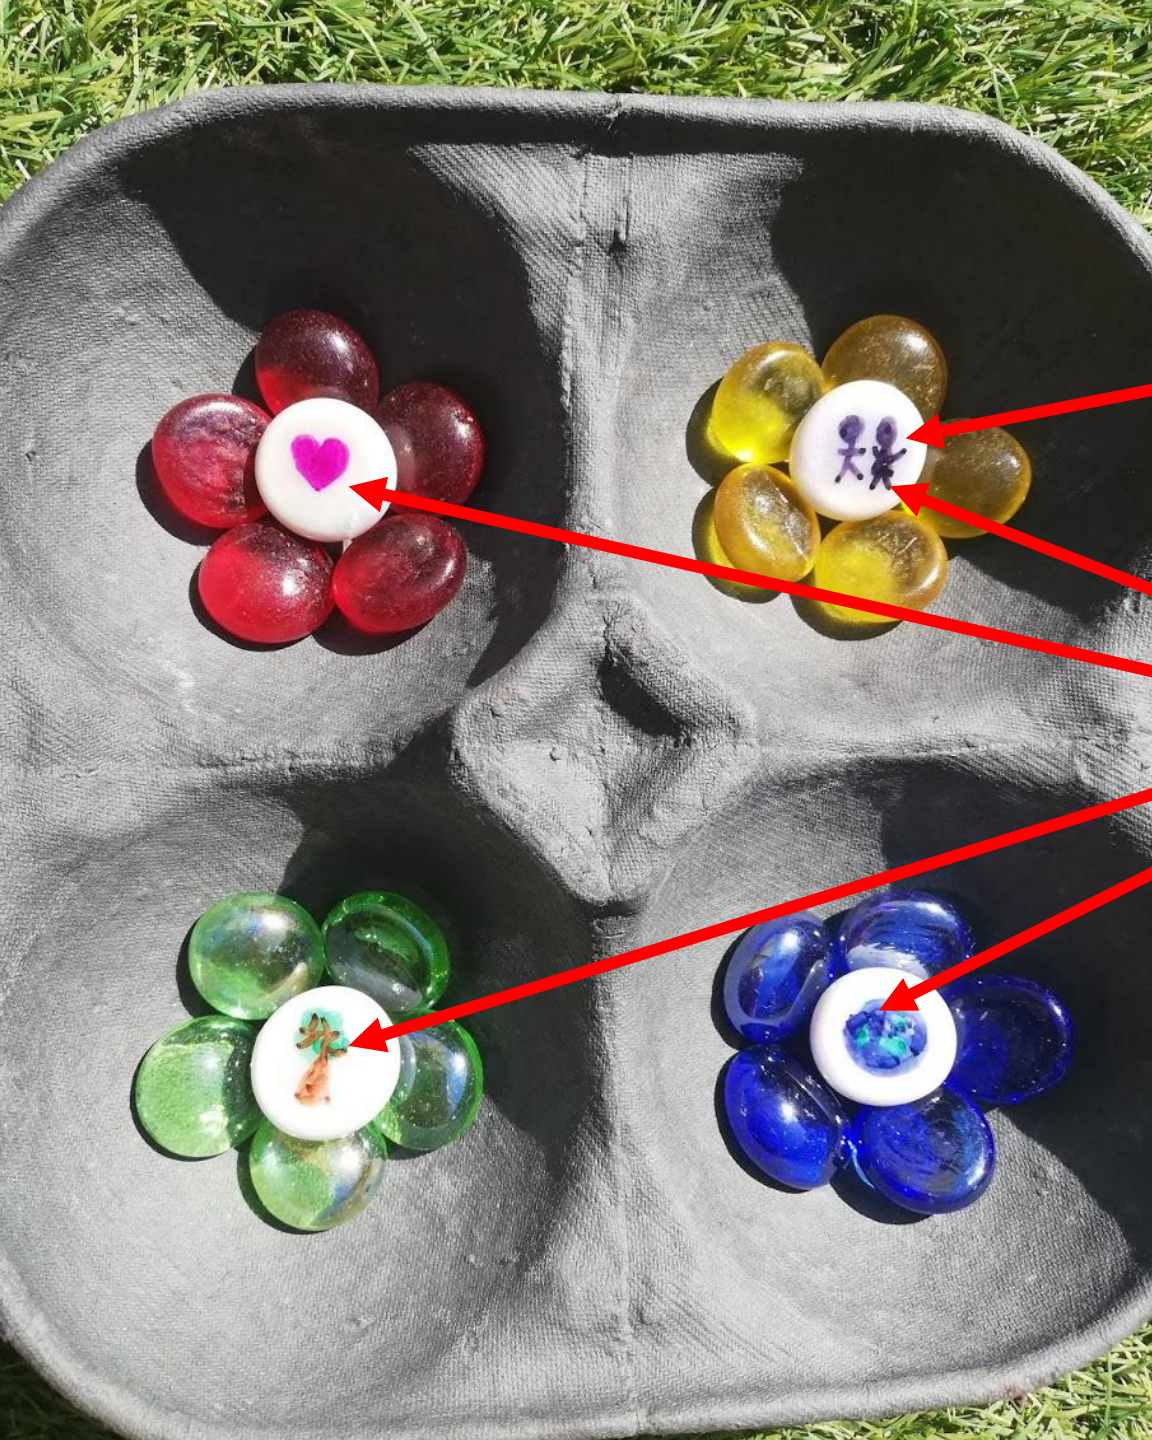

Every person in your family will have a stone.

Each section has a themed glass stone inside, but you can use words or drawings too.

The themed stone tells you what you will pray for that day.

You can all choose the same themed prayer or different as long as you get through all 4 by Thursday.

For example:

On Monday, you all choose to pray for people.

OR

On Monday, you each choose from a different section.

Keep the stone with you all day and in moments of silence, stop, think and pray about your chosen theme, holding your stone.

Then on Friday, you each take one and you make a prayer together.

Many people believe it is important to pray together as well as individuals.

If you would like to share your 'Family Prayer' with me, please take a photograph of you praying together and send it to this email address:

The best examples will be celebrated in Friday's Collective Worship.
