

*Prayer Rocks*

Paint or decorate some rocks with the things you are thankful for having in the world.

# Prayer Rocks

Decorate them and then choose one of words below to invite someone to think about God.

friendship

# Prayer Rocks

Then hide them  
around where you  
live.

Every time you  
hide one, say a  
little prayer to God  
about what you  
have drawn or the  
word you have  
chosen.

If you would like to share your  
'Prayer Rocks' with me, please  
take a photograph of you  
hiding them and send it to:

Hopefully, if you find some,  
please send me an email and I  
will share the success on  
Friday Collective Worship.
