

Mr Men and Little Miss Prayers

You can say a prayer in many different ways.

Prayers are not only said in the hall for Collective Worship or before leaving the school day.

There are many different ways to pray and speak to God. Over the next few RE lessons you will be able to explore prayer and how to become more spiritual through practical and creative ways.

However, you do not need to say prayers to God if you do not want to. You can spend a small amount of time in the day to be still, reflective, thinking of others or the things you are grateful in your life. You can use these prayer ideas as stimulus.

This type of prayer uses characters from the famous book collection 'Mr and Little Miss' books.

The characters help you to focus a prayer to God by thinking of their name or personality.

As an extra challenge, you could make up your own character for your prayer focus. You could write your own story or comic strip about them too.

To pray using this idea, you could draw a picture of the 3-4 characters you have chosen, print pictures or look at their books. Keep turning through this power point to find out how to use these book characters in prayer. Have fun
