Introduction

At St. Michael's Church School we strive to live out our aim for our community to, "Be the best that we can be." Our approach to First Aid endeavours to support our school community with Respect and Compassion at all times. We encourage our staff and children to be resilient when faced with a set-back. We encourage perseverance with positive support; if you don't succeed at first keep going and try again. We encourage a 'you can do it' mindset.

Aims

The aims of our first aid policy are to:

- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records
