

Dear Parents and Carers,

## **Easter Egg Donation**

St Michael's Church School has been very proud to support Peterborough Foodbank during Harvest and Christmas times over the last few years. In the past, we have managed to fill over three trolleys with food for the people of Peterborough through your kind and generous offerings.

Coming up to Easter can be especially hard on young children and their families and at St Michael's Church School, we intend to bring a smile to the children's faces.

We are asking our wonderful school families to donate an Easter Egg of any shape or size in order to help others celebrate the enjoyment of chocolate for breakfast on Easter Sunday whilst remembering the resurrection of our Lord Jesus.

We would like to ask for all donations to arrive in school by **Thursday 19<sup>th</sup> March 2020** so we can arrange for the collection and redistribution by the Peterborough Foodbank prior to the Easter weekend.

We look forward to donating as many Easter eggs, sweets and packages to the Foodbank, let's see how many families we can help celebrate Easter 2020.

Kind regards,

*J Coulson*

Miss Coulson,  
RE and Collective Worship Leader
