Go St Michael's!!

Just another day at the office for the St Michael's boys' football team—but one that showed exactly what they're made of. They were 1–0 down in a very competitive first half. Neither team backed out of tackles, and the movement of the ball was superb on both sides. The opposition managed to find the net with a fortunate goal, but the game was far from over. At halftime, the message was simple: if they wanted to remain unbeaten, they needed to step up, trust in their ability, and play the way they knew how—working hard and moving the ball with purpose. The response in the second half was outstanding. The boys came out with real determination, showing incredible skill and teamwork. The goals followed—three brilliant finishes, built on sharp passing and great movement. At the back, the defence worked as a solid unit, holding strong and giving the team the platform to push forward. Hearing the boys say afterwards, “thank you for believing in us and giving us the opportunity,” meant everything. That's what it's all about. This group are amazing. They listen, they learn, and they put it into action every single game. Amazing effort, superb attitude, and fantastic players who are doing their school proud every time they step onto the pitch.

3-1 Winners!!

Big congrats to Spencer who also received a trophy for Goalkeeper of the week.

If you are having any trouble logging in, please speak to your child's class teacher for support.

## Y6 SATs

Since we have come back from the half term, Year 6 have been doing a lot of revision and interventions preparing for our SATs. On Tuesday 2 NHS workers came to educate us on our overall well being with a system called brain buddies. As well as this, we were able to experience a game of bingo and complete a survey.

We have started a new English topic about the Victorian times and how they used to live. This week has also been skipping week and on Friday we did a skipping workshop. How exciting!
