- Thursday 26th - PTA Disco, KS1 4.30 - 4.15pm and KS2 4.30 - 5.30pm

Fun at Ferry Meadows

Year 2 had an exciting adventure to Ferry Meadows today, to experience science in action! Throughout their day, children took part in a variety of hands-on activities including nature walks, sensory trails, and pond dipping.

These immersive experiences allowed them explore the natural world, spark curiosity, and deepen their understanding of the environment—all while having lots of fun outdoors!

Have a look at how much fun we had being in the outdoors, despite the rainy weather!

We will post more photos of our experience on Dojo!

Alone we can do so little; together we can do so much.

Attendance

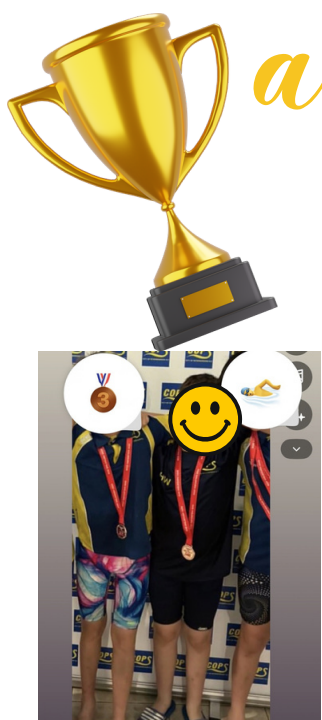

CHRISTMAS Magic

Let the warmth of candlelight and the sparkle of a magnificent light-show bring Christmas to life!

An unforgettable musical celebration...
2.30pm & 7.30pm Saturday 12th December

PETERBOROUGH CATHEDRAL

Out of school awards and achievements

Well done to Harry this week, for winning this amazing bronze medal for his 200 metre IM (all four strokes), lots of PB's achieved. - we are so proud of you!

Well done Spencer for your recent achievements, winning both Goalkeeper of the week as well as Player of the week for Hampton Royals - Amazing!

Finally, a massive well done to Teddy for achieving his level 4 in swimming.

Don't forget to keep sending in awards and celebrations from outside of school. You never know, you might inspire someone else to join your hobby/interest!

Football Fun...

Saint Michael's girls had their first game this week in a friendly match against Orton St Johns. The team knew it would be a tough game, especially with Orton St John's giving them a run for their money last season. Playing with new players, that had never played Football before, was always going to be a challenging task, especially against an established team. However, we couldn't be prouder of them all. Considering that the team had not played against each other or had much training, they did really well and only lost 2-0. That is an amazing achievement.
Go Girls!!!

TTRockstars!!

Top 3 classes who have earned the most coins collectively on TTRS.

- 1st Place - Kestrels - 33,112 coins
- 2nd Place - Swallows - 24,246 coins
- 3rd Place - Ravens - 22,794 coins

Please remember that TTRS is a homework requirement and encourage your child to log in and use Times Tables Rock Stars (TTRS) regularly. For our younger children we now use **NUMBOTS**. It's a fantastic tool that really helps develop fluency and confidence with number and multiplication facts. If you are having any trouble logging in, please speak to your child's class teacher for support.

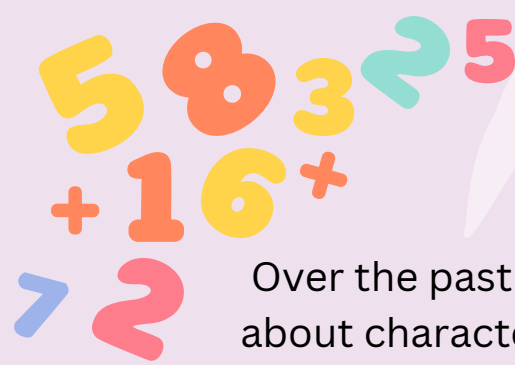

School Gates

Just a reminder to parents that the school gates open at 8.40am and will close promptly at 8.50am.

Please refrain from driving into the school car park as this is reserved for staff only.

Even on rainy days, or days that you are running a little late - please park and walk to the school gates.

Year's 6 Voice...

Over the past two weeks in English, year 6 have been learning about characteristic descriptions. They have been using show-not-tell techniques in their descriptive writing.

Some of the children in year 6 have decided that they would like to take on more responsibility. The roles that they have chosen are that of the House Captains, Sports Leaders, Head Boy, Head Girl, Eco Council, Tech Team and Librarians.

In the last week, in Math, they have been learning about short and long multiplication: short meaning a number multiplied by a single digit and long being a two-digit number multiplied by a two-or-more digit number.

In Theme, they have been learning the difference between Allies, Axis, Axis-controlled countries and neutral countries.

Furthermore they have proudly created a fact file about Winston Churchill, including Titles and Subheadings. To accompany this they have created World War 2 related sketches with the help of tracing paper.
