Chessington

Year 6 were rewarded for their year of hard work, amazing efforts over the SATs week and generally their time spent here at St Michael's, with a trip to Chessington World of Adventures. The weather was kind and the rain stayed away which made for a wonderful yet exhilarating day. Screeches, laughter and wet bottoms are memories the children are sure to treasure.

Year 6's voice...

The past 2 weeks, Year 6 have been working extremely hard. Last week, they had their most challenging sets of test.....SATs.

They truly persevered through this time and were rewarded with an exciting pyjama day, filled with snacks and fun. . Furthermore Year 6 had an exciting opportunity to visit Chessington World of Adventures. They experienced many fun and thrilling rides such as Blue Barnacle, Dragons Fury and the most intimidating of all, Mandrill Mayhem.

A big thank you to all the Year 6 team for helping us this term!

Football Fun

With the boys making it to the finals of the primary school finals, and making the top 8 out of 54 teams is a huge accomplishment.

This week we came up against some really tough teams that pushed us to our limits. Unfortunately we were not successful in making it to the main final, but the boys proved that they can be proud of themselves for representing our school. Being apart of of an amazing team is an absolute honour and a privilege.

Well done, boys hopefully next year will be our year.

As in school, behavioural expectations of following the school FLAME values must be followed. If this is not adhered to, unfortunately children will be asked to leave the club.

TTR Rockstars!!

Top 3 classes who have earned the most coins collectively on TTRS.

- 1st Place - Ravens - 46,672 coins
- 2nd Place - Swallows - 44,954 coins
- 3rd Place - Kites - 42,685 coins

Please remember that TTRS is a homework requirement and encourage your child to log in and use Times Tables Rock Stars (TTRS) regularly. For our younger children we now use **NUMBOTS**. It's a fantastic tool that really helps develop fluency and confidence with number and multiplication facts. If you are having any trouble logging in, please speak to your child's class teacher for support.

Netball Cup Day

Firstly a massive thank you to our scorers, who were vital in ensuring that the day ran smoothly.

Our Year 6 Netball team, have dedicated their Lunchtimes for the past year or two and each and everyone one of them did St. Michael's proud today. They played amazingly and showed their skills to the schools across Peterborough.

WINNERS from day 1 of the Netball tournament. 6 phenomenal games of Netball and six wins - fabulous teamwork between the players; impressive passing and great dodging. I'm so proud of these netballers!

These players, faced some difficult games but they didn't give up once. We had some unlucky misses but also some fantastic passes, great goals and some excellent netballers. Well done to each and everyone of them.

And day 2 saw St Michael's finishing in 2nd place. We are so proud of how well these players worked and how far they have come this year. We were disappointed to miss out on the cup but so pleased with our performance. Well done St Michael's!

Also wanted to thank Calvin who was an absolute star. Words are not enough to express the gratitude we have for him for his amazing support, fantastic game scoring and his all round willingness to help. He's definitely showed St Michael's values are their best.
