Total Funding		£ 79380

Reception	8
Year 1	11
Year 2	11
Year 3	16
Year 4	5
Year 5	10
Year 6	7

Overview of the government aims	The pupil premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. Vulnerable children are those who may need additional support, provision or intervention in order to make optimum progress.
Our Aims at St Michael's Church School	At St. Michael's we are committed to ensuring that every child reaches their potential regardless of any circumstances which may be a barrier. We aim to support children and in some cases their families to overcome the learning, behavioural or emotional difficulties which are preventing the child making outstanding progress. We are inclusive and are firmly committed to all children being involved in all aspects of school to ensure the very best learning experience. School policy and procedures ensure that children who are at risk of underachievement are quickly identified. Termly pupil progress meetings between the leadership team and teaching staff ensure that children's progress is tracked. There are regular planned opportunities for staff to communicate with parents and carers so that the identified needs and aspirations are shared and understood. The school has a dedicated Inclusion Leader Mrs Stephanie Hibbitt who supports this aspect of school life. Her role includes liaising with parents and carers, meeting with external professionals, analysing

	and evaluating data, making decisions about the level of intervention required and monitoring children's progress rigorously.	
Total amount allocated to the school in 2017 2018
