6th July 2026

Dear Parents and Carers,

We are writing to update you regarding the release of this year's KS2 SATs results.

The results were due to be released to schools on 7th July. However, due to a change in the national marking arrangements, we have been informed that the release has been delayed until 16th July.

We understand that this is disappointing news, particularly as 16th July is our Year 6 pupils' final day at St Michael's. We know how much the children have worked towards these assessments and how important it is for them and their families to receive their results.

Please note that the attainment information that will be included in your child's end-of-year report, that you will receive later this week, is based on teacher assessment only and does not include the outcomes of the KS2 SATs tests. Teachers have used their professional judgement, alongside evidence gathered throughout the year, to provide an accurate picture of your child's achievement and progress.

As soon as we receive the SATs results from the Standards and Testing Agency, we will send them to parents and carers' electronically. Further details will follow regarding how these results will be shared.

We are very disappointed that, due to circumstances beyond our control, we may not be able to celebrate and share these outcomes with our Year 6 pupils in the usual St Michael's way. Nevertheless, we remain incredibly proud of all they have achieved during their time with us and the resilience and determination they showed throughout the SATs process.

Thank you for your understanding and continued support.
Kind regards

Amy Rawding
