23rd October 2026

Dear Parents/Carers,

EYFS Curriculum Evening
Wednesday 4th November – 5.00pm

The Early Years Foundation Stage (EYFS) is a very special and important stage in your child's education. It lays the foundations for future learning, helping children to develop socially, emotionally, physically and academically through a rich, engaging and play-based curriculum.

At St Michael's, we value the strong partnership between home and school and recognise the important role parents and carers play in supporting their child's learning journey. Working together helps to ensure that every child has the best possible start to their school life.

With this in mind, we would like to invite you to our **EYFS Curriculum Evening** on **Wednesday 4th November at 5.00pm**.

During the session, we will outline:

- What your child will be learning throughout the year
- The expectations for children in Reception
- How we assess and support your child's progress
- Ways you can support learning and development at home
- Important routines, resources and information for the year ahead
- Opportunities to ask questions and learn more about life in EYFS

We kindly ask that **children do not attend this event**. This will allow parents and carers to fully engage with the information being shared and make the most of the session.

We hope as many of you as possible will be able to attend. The evening will provide valuable information to help you support your child throughout their Reception year and strengthen the partnership between home and school.

We look forward to seeing you there.
Thank you in advance for your continued support.

Yours Sincerely
EYFS Team
