## July 2018, Issue 1

Dear Parents and Carers,

It is with some sadness that I write this last news letter as headteacher of St Michael's Church School. Sadness but also immense pride of all that we have achieved and become over the last six years.

Each day has had trials and challenges but every day has always had joy from the children and staff who genuinely make 'my heart sing' with their respectful and conscientious approach to school life. The children are simply lovely. Hungry to learn, eager to please, happy and proud of their school. Each one is special and has gifts that I pray will blossom and grow and see them into adulthood.

My staff - are simply amazing. They love the children, are determined they will succeed, they travel the extra mile everyday and their dedication is unfailing. You are very lucky to have them - take good care of them. I have enjoyed working in partnership with you and always tried to ensure that your concerns and worries were dealt with fairly. I have always had the best intentions for the children at heart and thank you for your support and challenge.

It is with great pride that I can also let you know that our children have done incredibly well this year and achieved great things. The SATs results on our website are great testimony to the hard work of children, superb teaching and encouraging parents. Very well done.

It is with great pleasure that I can announce that the lovely Mrs Wenden and her husband Stuart are expecting their first baby and we are delighted. I know that you will be pleased for her too. She will start her maternity leave at the end of October.

Finally I want to wish Mr Jones a successful headship and thank him for all that he has done to make St Michael's a very special place. He is, I know, going to be greatly missed.

Wishing you all the very best of everything for the future. St Michael's has been my life for almost seven years, and just a very special part of my life.

With kindest regards,

Jackie Ashley

Headteacher
